Las Lomas Drop-off and Pick-up during Construction

Avoid So. Main Street Construction

So. Main Street is getting some much needed pavement maintenance. As part of that project, additional pedestrian safety improvements have been incorporated.

Until construction is over, consider an alternative drop-off and pick-up location!

Don't get stuck in traffic...

★ use these access points instead!

1. **Walk/bike** on the Iron Horse Trail and use the gate near Whole Foods or the pool
2. Broadway, street parking north of Newell Ave
3. Newell Ave, street parking east of Broadway
4. Newell Hill Pl street parking
