

RFP # 2025-001-LCA

City response to questions received by September 2, 2025

Issued September 3, 2025

Correction issued at 12:45pm

- **Site Walkthrough: Will you be organizing a site visit for prospective vendors?**

Optional site walkthroughs will be offered on Monday, September 8 from 11 am – noon and Thursday, September 11 from 10am – 11am. To RSVP email jackson@lesherartscenter.org.

- **Financial Structure: Could you clarify the expected rent model and the ROI? We are interested to know if the city is seeking a base rent (and if so, the expected range or historical F&B volume figures), a percentage of catering contracts, or a combination of both.**

The City is seeking a monthly, fixed rent proposal for the operation of the lobby bar service. Current monthly rent is \$2,200, although the City does not feel this rate is competitive. Historical sales volume figures for the lobby bar concession are not available, as that business data belongs to the current concessionaire. A copy of the lobby bar schedule from fiscal year 2025 is provided as an example of volume of services and audience attendance.

For catering and bar service for rental client events or private receptions, the concessionaire will invoice for those services separately. There is no cost sharing of those services. While bar service is exclusive to the concessionaire, catering can be provided by other vendors based on the client's preferences.

- **Whom or what entity holds the current liquor license?**

AGAVE GRILL CORPORATION

- **Which type of liquor license #(s) is it? i.e. 47, 58, 68**

The current license is type 47.

- **Will the license(s) be transferred or sold to the new operator?**

CORRECTION: If a new operator is selected, the license would be a negotiated sale from the current operator to the new operator

- **Is the winning bidder required to purchase the portable bars and the ice machine?**

The selected operator must provide portable bars and an ice machine that meet the Center Manager's approval as defined in Attachment B. If a new operator is selected, an option could be to purchase the existing portable bars and ice machine from the current operator if that is of interest to both parties.

- **Are any previous years concession sales available to be shared with bidders before the RFP is due for submittal?**

Historical sales volume figures for the lobby bar concession are not available, as that business data belongs to the current concessionaire. A copy of the lobby bar schedule from fiscal year 2025 is provided as an example of volume of services and audience attendance.

- **What POS system is currently in use for concession sales?**

The POS system is provided by the concessionaire and not provided by the Center.

- **Is the monthly rental fee typically a revenue share % model or a set dollar amount?**

The City is seeking a monthly, fixed rent proposal for the operation of the lobby bar service.

- **Is there a working kitchen at The Lesher Center for concession/caterers to use or is it only a prep/hold room?**

There is no working kitchen at the Lesher Center. Available space is a hold/storage room. Dependent on the scale of catering provided for a specific event we may designate an additional room for prep.

- **Regarding Private Events: Does the Lescher Center collect all Food & Beverage payments for private events, then reimburse the concessionaire/caterer?**

Yes, for bar service and catering at private events the City collects all payments from the rental client. Concessionaire shall submit an invoice to the City within thirty (30) days after service for the private event has concluded, and City shall pay Concessionaire within thirty (30) days after receipt of invoice.

- **If this is the case, can you further elaborate on Item 7.d. .”The total amount of City’s payment to Concessionaire shall not exceed XXXX”. Our question is why is there a “\$ limit” on reimbursement to the concessionaire.**

The City’s procurement policy requires that contracts define a not to exceed amount for compensation to the vendor by the City in order to determine the necessary competitive procurement procedures for that contract. The City will use historical data on private events to project a not to exceed amount for this contract. Should that not to exceed amount prove to be insufficient an amendment to the contract will be issued.

LESHER CENTER FOR THE PERFORMING ARTS: LCA Lobby Bar Schedule July 2024

Mon, June 30, 2025	Afternoon Class	1:00 PM	Young REP Classes 2025	Vukasin Theatre				

***Always check with House Managers as start times will affect intermission times.*

Due to elevator limitations – **do not use elevators to transport bars between floors**, use the bars that are stationed on each floor.

Use the bar on the 1st floor when the Vukasin Theatre is the *ONLY* active space in the building – other times, the First Floor Lead will direct patrons to the 2nd floor for bar service. However, staging the 1st floor bar with signage, also directing patrons to the 2nd floor is encouraged.
